Tour Manic provides special program for kids called "KIDSMANIC"...

Why is nature important to children's outdoor experience?

Children's who are more connected with nature can generate many positive emotions, such as calmness, joy and creativity and can facilitate concentration etc and also are usually happier in life and more likely to report feeling their lives are worthwhile.

Nature helps a child's development in many ways such as in increase physical health; also enhance social emotional and intellectual development.

We are providing special package programme aged 11th to 14 & 15 to 17 named as "KIDS MANIC" organized in Munnar for Children's to recreate their inventiveness through outdoor activities in connection with nature and its awareness at one of the high altitude areas famous for its scenic beauty, climatic conditions, shola forests and grasslands, cardamom and tea plantation, range of hills, beautiful dams, running rivers, heritage monuments and buildings, ancestral lives, cultural bonding etc are set as a syllabically lecture given them for a total development of optimistic living.
